Election of Jamal B. I Mumtaz as Vice President of Pakistan

need not therefore be taken into consideration

19/ The point for consideration is whether Jamal B. I Mumtaz may be notified as the elected vice President — whose term will Continue till 3 & 49

when serving the vice President on a previous occasion, he had committed several irregularities as shown in the four folks linked herewith

still under enquiry and the D cs report thereon has not been received

It has however to be stated that, unless he has been actually served from misconduct as V P in recent years, under section 93 (11) of the T P Act, he has incurred no disability legally debarring him from being a vice President

Also, under the amended election Rules as presumably they would have taken effect

(13) Steps for orders if he may be notified as vice President on the D.c requested to furnish reports on the several irregularities reps to in the linked folks in the first-instance
